GYANTWACHIA LODGE #255
ORDER OF THE ARROW

The Brotherhood of Cheerful Service

Special Edition January 2010

Thank You!!!!

A big thank you goes out to everyone that made phone calls and talked to people about getting their OA dues paid. Our lodge made quality lodge again this year. For those of you that don't know our lodge is the only lodge in the Nation that has made quality lodge every year since this award was introduced, and that is something that we all should be proud of. A couple ways we could make this a little easier on everyone next year is when your Troop recharter in June is to have their OA dues included in that charter. Another way is to have OA members pay their 100 year membership, as of now we have 20 members that have done this, It would be great to see that number go up to at least 30 by November 2010. I would also like to thank everyone that came and supported our lodge during our November "Friday the 13th" Ordeal. The weather was outstanding and we had 2 new brothers pass their ordeal, the pole barn was rearranged to hold everything better and looks great, the deer fence was repaired and firewood was cut for the cabins so people will be able to use them this winter and everyone helped clear off another part of the future sled riding hill. Over all it was an outstanding weekend and a lot of things got accomplished.

Thank You!!

Yours in Brotherhood
